Product Guidelines

Arts & Crafts Vendors

We ask that all items sold are family appropriate. No vulgarity, nudity, or obscene language. We would like for all items to be handmade, but that is not a requirement.

Food and Beverage Vendors

All Food Vendors must adhere to all current health and safety practices. All food vendors are subject to inspection by the Health Department. You must place a plastic covering under the cooking area to protect the surfaces underneath. All food vendors must have an appropriate way to dispose of waste. If you are bringing a food truck or trailer, you must include a photo and the dimensions of your unit which include from bumper to end of tongue. If your unit is larger than 10 ft. x 10 ft., you will need to purchase an additional space. If you arrive and your dimensions do not meet the allocated space you will forfeit your space and will not be eligible for a refund.

2025 Tulip Festival Vendor Packet

Responsibilities of All Vendors

All of our spaces are set up outside and on grass terrain. Booth placement is determined by what you are selling and nothing else. The festival provides the booth space, and the Vendor must provide their truck, tent, table, supplies, and everything else they need. Tents should be "weighted down" due to wind or inclement weather. Stakes can be used to secure tents. You may bring a small, quiet generator if you need electricity- we do not provide electricity. Nothing should be in the walking path or blocking the walking path by your tent, including extension cords. Vendors must have everything inside their space area.

Employees of the Vendor Responsibilities

All of the employees will need to fill out a "Waiver of Liability and Hold Harmless Agreement" to participate in the 2025 Yule Forest Tulip Festival. Each Vendor is limited to 2 employees (not including themselves) per space paid for. Forms for employees are found at the end of this packet.

Children of Vendors Supervision Policy

All children under the age of 16 years old are required to be supervised by an adult while you are a vendor. If they leave your booth area, they need to be supervised. Any children under the responsibility of a vendor that are found to be distracting our staff or are seen destroying Yule Forest property, will be asked to leave immediately.

Closures Due to Inclement Weather

If inclement weather is determined to be reason for postponing opening hours or closing the Tulip Festival, we will make that decision and notify all vendors by 12:00 pm the Friday before. In the event of a closure due to weather, a refund will be issued to vendors that are booked for that single weekend.

Vendor Cancellation Policy

Vendors that cancel their reservation after February 20, 2025 will be unable to receive a refund of their paid reservation fee.

Food Vendor Requirements with Health Department

All registered food vendors are responsible for obtaining the necessary temporary food licenses required for your time as a vendor at the Yule Forest Tulip Festival. If we are notified by the Health Department that you did not meet the requirements or didn't complete your permits within two weeks of the event, then you will be dismissed as a vendor without being issued a refund. If a Health Department official inspects your food truck/booth during the event and discovers that you are in violation of obtaining the proper permits or you are not in compliance with their rules and regulations, then you will be required to cease operations and leave the property.

Permit forms need to typically be submitted to the Health Department 40 days before the event to allow for processing and unexpected delays.
